PROFESSIONAL SUMMARY

Frontend developer based in Abuja, Nigeria, building fast, responsive websites and web apps with React, TypeScript, Next.js and Tailwind CSS. Built and deployed six projects,

including a Next.js portfolio that scores 100 on mobile PageSpeed for Performance, Best Practices and SEO. All projects were built entirely on a phone using Termux, which taught me to write lean code and test on real devices. Background in teaching, team management and music instruction adds strong communication, organization and teamwork. Open to freelance work and to full-time or part-time remote roles.

SKILLS

Frontend: HTML5, CSS3, JavaScript (ES6+), TypeScript, React, React Router,
